

## PROPOSED TEMPORARY CLOSURE OF UNNAMED ROAD, GUSSAGE ST MICHAEL

I have received an application from South West Water to close Unnamed Road, Gussage St Michael from outside St Michael's Church to a point approximately 500 metres to the east. The closure has been requested to allow South West Water to install a water meter boundary box. These works are programmed to commence from 12th November 2019 until 14th November 2019.

South West Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 25th October 2019.
